ROB PICKETT DESIGN

Victory Lutheran College – The Hudson Centre
28 Drage Road, West Wodonga Vic 3690

ADDENDA 'A'

The following items shall be included in the tender submission

A1	Solar Panels. Confirming the new solar panels shown on the Hudson Centre roof will be coordinated by the school.
A2	Electrical Drawing E200 – first floor power Confirming the thick dashed line shown on BSG electrical plans is a skirting duct. Please allow for Clipsal TALPlus skirting duct system. Colour - Black
A3	Lift Pit Architectural plans sheet 16 – Detail 16 had shown an agri drain around the base of the lift pit. This agri drain will not be required.
A4	Roof Blanket Confirming that R1.3 - 55mm roof blanket is required rather than the specified R1.5 – 60mm.
A5	Downpipes & grated pits Architectural plan sheet A15 details 8 & 13 nominate a galvanised downpipe. Confirming there will be no galvanised downpipes or grated pits at the base of downpipes.

Regards:
Euan Pickett
